

**Introduction to Discipleship    Rev. Lance Young, Instructor**

This class is designed to assist in an understanding of the call of the church in developing disciples for Christ kingdom. It will help individuals to garner their role in becoming more than a pew member and to be encouraged to be a witness and a living epistle to the growth of the church physically and spiritually.

**Discovering Spiritual Gifts                      Sis. Chriscethia Greggs**

All Believers have received a spiritual gift or gifts .This class will help in identifying your gift and how to use them faithfully as stewards of God's grace.

**Pastor Alternative Teaching Course            Rev. Benjamin Lett**

This class will allow the students to achieve the credits toward teacher certification.

**The Church and Family                              Rev. Vardy Freeman**

The class will consist of a study in relation to the historical church and how there is a correlation between families represented within the church.

**The Multi-Generational Church    Rev. Dr. Adrian Wideman**

Building relationships across the isles of varied age groups. Explore the worth of partnering and mentoring. A look at the gifts and challenges of a growing church that includes everyone.

**Innovative Ways of Praise                      Sis. Ashley Sitton & Breanna Nelson**

These two classes will be structured by age.

These two classes are designed for children, youth, young adults and those working with ministries that support Worship other than choral. Dance and Mime Ministries are developing in our churches. These classes are design to develop and to appreciate other gifts as an expression of praise to communicate the divine message of the Good News of Jesus Christ.

**Survey of the Old Testament            Dr. Tony Boyce**

General overview of the divisions, times, and places - with emphasis of the Nation of Israel, events, people, and archaeology of the Old Testament.
